# The Seventh Grade Sentinel

Dear Parents,

Welcome to seventh grade! I trust that your family has had a great summer, and that your student is ready to begin his second year of middle school! This year will bring many exciting opportunities, and I am praying that it will be profitable both academically and spiritually. I have already begun to pray for your student and your family, and I ask that you pray for me and the rest of our faculty so that we can all work together to impact your student for the future.

I will be your student's teacher for homeroom, after which I will also be their first hour History teacher. This is my first year teaching History with Raleigh Christian Academy and look forward to teaching your child the importance of learning from the past.

We jump right in with sports, music, computer classes, and other activities. See details for upcoming events on the back of this page.

Please see the contact information on the right and feel free to contact me if you have any questions or concerns.

Thank you for entrusting your student to the staff and faculty of Raleigh Christian Academy, and with the Lord's help, I promise to do everything I can to help your student excel.

## Class Missionaries

We are very excited to have the Stover family as our class missionaries for this year! They are church planters to Tacna, Peru. Tacna is a city of about 350,000 located in southern Peru. They know that the need is great in Tacna and the time is short to win many souls by presenting the truth of the Gospel of Jesus Christ. The Stover had a new family member this year. Back in May Mrs. Stover gave birth to Melody Grace Stover.
